ecohousedesigns full plan purchase contract

Ecohouse designs were designed according to general requirements of residential codes in the United States and the local, regional and national code requirements in force when and where the house was original designed. Each municipality, county and state has its own codes and regulations including zoning laws and ordinances. As building codes vary widely within code enforcement jurisdictions and are constantly being revised and updated for specific earthquake, hurricanes, heavy now loads, climate considerations, specialized soil conditions and local environmental considerations, neither ecohouse designs nor Habitat Studio will claim or warranty code compliance for ecohouse design plans. Ecohouse designs authorize the use of our plans on the express condition that the plan purchaser comply with all local building codes, zoning requirements, and other applicable laws, regulations, and ordinances.

It is the responsibility of the plan purchaser to obtain professional architectural and structural advice, including analysis, engineering and specifications to assure the accuracy and code compliance with current building codes and regulations in the jurisdiction it is to be built.

Ecohouse designs nor Habitat Studio are liable for drawing interpretations or the structural integrity of buildings built from stock plans purchased at ecohouse designs.com. Plans purchased from ecohouse designs.com are for construction purposes, however, neither ecohouse designs nor Habitat Studio oversee the construction process and cannot verify that the plans purchased herein meet jurisdictional code standards or were built according to code standards.

Ecohouse designs disclaims all warranties, express or implied, and is not liable for damages of any kind including loss of anticipated profits, opportunity or other losses that may result through useage of plans or services purchased herein.

Copyright Restrictions and Law

All ecohouse design plans are protected under the United States Copyright Law and may not be copied, resold, or used for construction unless authorized by ecohouse designs. When purchasing an ecohouse design full plan, you are given express permission and licensed the right to build one and only one residence. Ecohouse designs and Habitat Studio retain all rights, title and ownership of the original design and all documentation and will prosecute any and all copyright infringements.

I have read and understand all of the above conditions and restrictions. By signing this contract, I agree to comply with all conditions and restrictions as herein stated, holding ecohouse designs and Habitat Studio harmless for any and all uses of plans purchased through ecohouse designs.com.
